Letters

Greetings to All to whom These Present Letters Come,

By the time this missive falls under your eyes Bacon Wars II will have been successfully completed. While at the time of this writing I do not know if Tir-y-Don will be victorious on the field of battle, though my sincerest hopes as always are with her Armoured Combatants, Rapier Combatants, Archers, and Artisans. What I have no doubt in, however, is that a great deal of hard work has been put in to ensure the success of the event. Tir-y-Don has a well earned reputation for hospitality that I am sure will be maintained. I would like to thank all those who put in a great deal of hard work both in preparation for the event and during the course of the weekend. Events do not happen by themselves and I am personally very grateful to everyone who gave of their time and energy to ensure that everything got taken care of.

The next thing on the horizon for Tir-y-Don is our Fortieth Birthday and Investiture which will take place on March 28th, 2015. Planning for the event is already under way. We will soon have a formal timeline from their Highnesses for the submission of Letters of Intent from potential candidates, when the polling itself will take place, and when we should know who our next Baronage will be. The most important thing at this stage of the process for the entire populous is to ensure that your membership has been renewed and that the address on file with the Society is correct. When pollings are mailed out it will be sent to the address you have on file with the Society. It is very important that everyone receive there polling forms so that their Highnesses will have as much information as possible to make their decision in the best interest of our Barony. Please take the time to ensure that your contact information is correct as your input is important and valued.

One additional note, our good friends in Marinus will be hosting Inter-Baronial Twelfth Night this year on January 3rd, 2015. I would encourage all to attend and celebrate with them.

As always, if you have any questions or concerns please feel free to contact me at any time.

Lord Brian Crawford,
Seneschal, Tir-y-Don

Greetings unto the list,

I have the pleasure of announcing the approved time line for our Baronial Polling. It is as follows:

11-9-2014: At the Baronial Meeting, nominations for candidates for Baron and Baroness will be made. The Crowns have indicated that they do not wish for there to be more than three candidates or sets of candidates on the polling. If more than three candidates or sets of candidates are nominated, a run off will be held to reduce the number to three.

12-6-2014: Letters of Intent due to the Seneschal conducting the polling

12-8-2014: Regional Seneschal validates memberships of potential candidates and forwards Letters of Intent to the Crown

12-20-2014: The Crown provides approval of the candidates to the Seneschal conducting the polling.

12-27-2014: Seneschal conducting the polling obtains permission to publish contact information of the approved candidates and publishes Letters of Intent.

1-3-2015: Seneschal conducting the polling prints, stuffs, and stamps envelopes.

1-10-2015: Kingdom Seneschal provides address labels and the pollings are mailed.

1-31-2015: Pollings are due to the Crown

2-14-2015: The Crown will notify the candidates of their decision.

3-28-2015: Baronial Investiture

As noted in item one of the timeline, nominations will take place at the November business meeting and there is a possibility that a strawpolling/run off will be necessary to comply with the Crown's wish that there be no more than three candidates or sets of candidates. As such, it is very important that everyone who is able to attend the November business meeting do so. It is very important that everyone's voices be heard in this matter. If you have any questions or concerns please feel free to contact me directly.

In Service,

Lord Brian, Seneschal, Tir-y-Don
