BARON AND BARONESS MATHIEU AND ISABEL*

Letters

Greetings to All to whom These Present Letters Come,

It is my sincerest hope that this missive finds you in good cheer, having enjoyed a safe and joyful holiday season. While the winter weather may be dreary there is still celebration to be had as our good friends in Marinus will be hosting Inter-Baronial Twelfth Night on January 3rd, 2015. I would like to encourage all who can to attend and join us in the celebration.

In the not too distant future our own Barony will be celebrating both our 40th Anniversary as well as the investiture of a new Baron and Baroness. The Anniversary Celebration and Investiture will take place on March 28th, 2015. As with any such event there is a lot of hard work that is required to make sure it is a success. I would like to thank those who have already been hard at work in the planning and organizing of this event as well as encourage all members of the Barony to volunteer at least some of your time to help ensure the events success.

The technical aspects of the Baronial polling are most likely to be handled by the Kingdom Seneschal. I anticipate that the polling forms should be placed in the mail by the second week of January assume all goes well. It is therefore critical that if you have not renewed your membership or updated your address on file with the SCA that you do so immediately so that you will receive your polling form. These forms will likely be due to their majesties by around the end of January. As more specific details become available I will be sure to pass them along.

Lastly, I have been honored to serve as your Seneschal for almost four years at this point. According to Kingdom Law, the maximum allowable term of service is four years. So in spring of this year I will be turning over the office. My current deputy, Lady Thora, has agreed to step up to the challenge. I am very grateful to know that the Barony will be in capable hands. However, if you are interested, Thora will also require a deputy, so please feel free to contact her or myself regarding this if you are interested.

As always, if you have any questions or concerns please feel free to contact me at any time.

Lord Brian Crawford,
Seneschal, Tir-y-don

Greetings unto the list:

Polling schedule:

1-3-2015: Seneschal conducting the polling prints, stuffs, and stamps envelopes.

1-10-2015: Kingdom Seneschal provides address labels and the pollings are mailed.

Noisemaker Decorating Contest: Children can decorate a gragger (noisemaker)

Baronial A & S Champion: Going with the Purim theme, the theme of the A&S competition is "pretending" as Esther "pretended" to not be Jewish in order to become Ahasuerus' wife:

a) Something that could be used to pretend to be another thing (ie a costume or mask)

b) Something pretending to be something else (ie, like Lady Deidre's tree subtlety made of food).

Baronial Brewing Champion: The competition for the Baronial Brewer for Bright Hills will be held at the Baronial Birthday celebration. All entries are welcome, be they of alcoholic variety or non. Each entry will be judged on its own merits. Presentation and documentation will play a small part in the judging. Entries should be presented at the table by 11 of the clock at the hall.

Dusty Half-Dozen Donation Derby: The theme for this competition is Green and/or Yellow! Your items should be primarily green and/or yellow in order to enter. You may use other colors as accent but the Baronial colors should make up at least 75% of your entry. All entrants must create a half-dozen (6) of the same type of item based on the theme that are suitable for largesse. All entries must be tagged and ready to be gifted the day of the competition. Important information such as allergy warnings should be noted here. Items will not be accepted if they are not tagged. Items need not be documented. This is not an Arts and Sciences competition. Judging will be done by the 'beads in a cup' method. Members of the populace are asked to come by and vote for their favorite entry!

Baronial Dessert Competition: The theme for this competition is the Barony of Nottingham Coill! Your items should be representative of the Barony in some way. All entries must include some documentation. Specifically, an entry will not be allowed without a list of ingredients. This is extremely important for dietary concerns.

2/21/2015 Brunch with the Bards in Ponte Alto

2/27/2015-3/1/2015 Tournament of Ymir in Windmasters' Hill
Betsy-Jeff Penn. 804 Cedar Lane, Reidsville, NC 27320.
<http://ymir.windmastershill.org/index.php>

Please DO Feed to (Ro)Bears! The Vikings traveled. They had to take provisions with them when going to sea or into unknown territory. Meat had to be preserved. We still preserve meat today. Salted, pickled or brined, dried as jerky or sausage, or smoked meats have been eaten throughout our history. Find your favorite recipe for preserving meat, period or modern, and bring it with a sample to feed to (Ro)bears. Master Robear and THL Jared the Potter (Bear) will be the judges and will determine a winner based on the documentation of the preservation process (period or modern), a comparison of the entrant's expected outcome and the actual product, and overall judges' impression.

Vikings Were Well-Groomed: The Vikings were warriors, yes, but they were well-groomed warriors. Many finds of Viking artifacts include grooming implements. To honor this I am sponsoring a two-fold competition. Entries may either be a grooming implement such as a comb or toiletry such as a soap. They do not have to be Viking in origin but must be from our time period, 800-1600 CE. Documentation is required. Judging will be based on Atlantian standards for miscellaneous crafts (Judging Forms) Please note: there will be two winners, one in each category, and those winners will exchange entries for prizes. After all - you don't have to be a Viking to like being clean!

Scribal Calendar Competition at Ymir! The inevitable icy winds of Ymir have inspired a seasonally-appropriate scroll competition for scribes of all levels! Entries can be any work, backlog scroll, or other book-art related piece - it just needs to be based on some sort of period calendar! Calendar pages can be found in most books of hours spanning a hefty chunk of SCA period, and thus can be found in many different styles - the options are overwhelming! Extra bonus points are given for entries based on a winter-themed page. Extra extra bonus points for a February page. (Documentation not required but encouraged- please be considerate and include a picture of your source in order to get those extra points!)

Hopefully this list has sparked a few ideas and Tir-y-Don will be represented in upcoming A&S displays and competitions.
