## MARCH BARONIAL MINUTES

8 Mar 2015

Baronage: The Baronage attended Coronation this weekend. The event was lovely. Three candidates received their writs for the new peerage. Lords Jacomo, Adon and Alan. The Crowns are working to handle everything appropriately. The first official day to award them is Crown Tourney. The actual awarding will be given later to ensure they get their due respect. King Logan said lots of nice things about the rapier community during his court.

WE are 2 weeks in, thank you to all for the support. Thanks to Lady Muriel for the wonderful investiture and Birthday event. The people here at the meeting are usually the people who come regularly, if you haven't an office please think about taking one on. The Knight marshal, chronicler, still working on the chatelaine's warrant. Youth is also unfilled. The A&S minister is also needing a new warrant or replacement.

Seneschal: We need deputies including for seneschal. Reminder that the Yahoo group is the official

communication channel for the group.

Exchequer: Still working on the event report. Needs any outstanding receipts immediately. The feast -0-crat came in over \$200 under budget meaning our prophet will near \$800.

Marshal: Needs a replacement for this job. The current Knight Marshal has served for a long time and off and on for a long time. Lord Big John is interested but hasn't completed his MIT yet. Armoury however will continue at his house. We can continue with practices with Baron Lloyd but he will be out of town over the next few months off and on.

Archery: Not present

MOL: The report for investiture was submitted. Check your cards.

A&S: Still going on.

Chatelain: We have a lot of contacts about coming to events and practices. We are getting a lot of ages 20-30 yo. The demo at the South Hampton Ren Faire will be the weekend of the 24<sup>th</sup>. We want an historic camp. The modern tents will be separate. WE will be near the gate. Between the hours of 1000 to 1800 we will be on our best medieval behaviour.

Herald: Looking for a deputy, she is working on court report for the investiture. Shamus's device has finally passed.

Webminister: Things have been updated. We are still working to finish the turn over.

Chronicler: Need letters from officers, please.

### **Old Business:**

Tir-y-Don's Baronial Birthday and Investiture: Thank you from the autocrat, it went very well. The bead challenge was successful Thanks to all who set up, broke down, worked in the kitchen. The site was great! The lunch fundraiser raised \$388 that was sent to Bayport already.

Cloaks: Still be worked on.

Fighter Practice site: WE have one more week here at the library. WE are on more open display here. We need a different greeter. We need to have flyers etc. There is already a kit of flyers, waivers etc that can be used. The Baron will work on setting up a table. WE may seek to return to the Boys and Girls club in the fall.

The trailer was cleaned and the missing sleeve and other parts were found. There will some maintenance needed but this will be rather specialized. Suggestion was made to paint the trailer with a large coat of arms to help deter theft.

Fall events: We are not going to be putting in a bid for coronation. Bayport is already booked for September when we usually have Bacon Wars.

IB 12 Persian theme. Will be looking for a site soon

### **New Business:**

We need new totes, the previous black totes were very sturdy and long lived. They are not cheap but have lasted over 15 years. We will need 6 for the kitchen gear. This will make packing/transporting easier. They are about \$25 piece. Suggestion to send out the info to the web site so if people find them. It was noted that the translucent colours don't last as long and the wheeled variety don't stack and the wheels fall off. A motion was made and passed for \$200 to be allotted.

Ruby Joust: We have field space for Golden Rose and the Baron will ask for field space this week. We will need a

camp steward for Ruby. Lady Muriel will do it but she cannot be on site until late on Friday. We need a volunteer to pull the trailer. The Baron would like the 20x30 pavilion for the field space. The meal plan etc will be worked on.

Pennsic: Same as above: will need a camp steward etc. Lord Bryan was volunteer to be the land steward. Baroness Kaleeb is willing to set up a meal plan

Bacon Wars 2016: The baron wants to get started. Lady Eleanor volunteered to be autocrat. Last years Bacon Wars was up against a Knighting and they pulled a lot of people. Vigils can be held at Bacon Wars.

The next meeting will be the third Sunday in May, due to the second Sunday being Mother's Day.
