Next Meeting's Date and Time:

August 18, 7:00pm

Baron and Baroness

Thanks to everyone on staff and everyone who attended for all of your help at Baronial Birthday. If anyone has any recommendations for our new Equestrian award, please speak to Their Excellencies.

Officer Reports

Seneschal

Quarterly report has been delivered to the Kingdom. It was nice to have some events and activities to include on the report.

Exchequer

We have money. The bank account is at \$7,685. Prior to the event it was just above \$9,000. We still need receipts for trailer and list field. Once we have the June bank statement we will do the report.

Chatelaine

We had a few new people attend the event. A few stopped by from the pool nearby, they have information but have not signed up yet.

October 1-2 is Newport News Fall Festival. We have the same spot as before. We need someone to take charge of it. They are giving us an honorarium to attend. It is the same weekend as Coronation. TE will seek an exception to be able to attend the festival.

Chronicler

Submission deadline is the 25th. Please send content. I want a deputy.

Herald

Working with three people on devices. Working on getting paperwork squared away and it will be sent in. TE will be speaking with Mary about heraldry for the new Equestrian award. We have a new herald as of Baronial Birthday. Seneschal needs information to update the website.

Knight Marshal

Marshal report has not been submitted for the event yet. Waiting for MOL report to verify numbers. She has not submitted it yet either. She is working on getting it completed this week. Rapier report has been sent to

MiC. Joint practice on July 17th with Marinus. Archery will be in NN, heavy and rapier will be in Marinus. JC has offered to take over as the baronial Marshal. Quarterly waivers report has been submitted for the last quarter.

Archery

Practices are happening.

Arts and Sciences

We are looking to start in person first Thursday in September.

Social Media

Not a lot going on. Took the Social Media class at University. Social Media has been the biggest driver of recruitment and engagement over the past few years.

Web Minister

If anyone wants to take over as Web Minister, please let Llwyd know. Website has been updated. There is an event page for the Hastilude.

Old & New Business

Old Business

List field

The new list field debuted at Baronial Birthday, it worked very well. Portable holes have been dropped off with Sergio to cut angles and on the bottom so they are easier to drive into the ground. He will also re-weld some of the rings that fell off. Poles still need to be painted. That will be completed within the next week. We have a plethora of extra rings. We do not have extra angle iron to make more, but that is easily acquired if we want to make more.

Trailer Tires

As of last week the trailer has been repaired. Sergio has finished the welds on it. There is part of one of the sides that need to be resealed. That is a minor repair. We talked to Lyle and the axel is only rated for 2100 lbs. Depending on how we load it, that is not a lot of stuff. We can either put all of the stuff in the trailer and take it to a rest stop and have it weighed or we can purchase a 3500lb axel for about \$250. We need to find a permanent home for the trailer then we can get it loaded and moved. There is enough left in the budget for a hitch lock/anti-theft device and two of the shackle combo locks for the doors. The trailer is currently at Eirkr's.

There were a few offers on Campfire, another notice will be put out. JC has offered their home for temporary storage until a longer term solution can be found. It can be weighed at the NN dump. We will load and move once a final host for the trailer.

Moved and agreed to allocate \$300 towards upgrading the axel. Research will be done and the axel will be replaced after Pennsic.

Baronial Birthday

Event went well. Thank you to everyone who helped out. We turned a small profit. The list field went up very well, and we may have a future fundraiser in selling a list field to Marinus.

Our profit was \$120.01. We need our security deposit back from the site. Andrei will send the site manager an email.

Some people contacted event hosts via social media. We need to be sure to check those or have someone in charge of checking social media. Only the page moderators and event hosts can see those. We need to make sure that for all future events that we note if there is an issue with Waze/Google Maps/etc we should put a note so attendees are aware.

Labor Day Event – Equestrian

Event has been Spiked. It is on both Kingdom and our websites. There is an issue with the Kingdom page and a message has been sent to Kingdom to have it corrected. There is a meal plan for the whole weekend. There is supposed to be an official Kingdom practice the weekend before. We will be doing authorizations that day if we can get a second Marshal. Directions are on the site, there is a note that Waze will not take you to the correct place on the property. Application for insurance has been processed by corporate. They will be sending a hard copy of the paperwork shortly.

Pennsic

There is a Facebook Pennsic group for those who are camping/hanging out with Tir-Y-Don. Most of the planning will take place there. There is the potential that we will need to throw some money at the trailer that is at Pennsic. Alyna has the sketch layout of the block. We are on the opposite side of the block from where we have been the past few times, we are closer to the University side, not the parking lot. Seems to be an improvement. A large part of the block is single camping.

Motion to allocate \$175 for trailer storage at Pennsic just in case the camp fees do not cover it. Motion passed.

Zip Codes

Request has been made to regional Seneschal to have the JCC zip code assigned to us. We have approval from Caer Maer.

New Business

Baronial Birthday 2023

Muriel has volunteered to autocrat next year, April 22. We can do archery and axe throwing at the site as long as space allows. Next to the tennis courts there is an area that is separated that would work for this purpose. April 23 is the feast of St. George, which would focus on 1450's England or Germany. Currently reaching out to possible feast stewards. JC will MiC.

Will be working on an A&S track with a class once every 4-6 weeks focusing on different topics related to the event.

Andrei will ask our contact at Marlbank and CC Muriel about the date and how far in advance we can get on the calendar.

Next Meeting

Next meeting August 18. Time change to 7:00pm. Main topic will be upcoming event. Meetings will remain virtual at this time.
